The buzz

“When we say Rs 9.38 lakhs, we mean Rs 9.38 lakhs. No hidden costs or other charges are to surprise our customers later.

— Praveen Kumar, director, sales & marketing, MVL

MVL Indihomes: Situated on Bhiwadi-Alwar road, MVL Indihomes comes with an attractive and competitive price tag of Rs. 9.38 lakhs (all inclusive, no other charges) for an apartment size of 800 sq ft coupled with freebies like free power back-up, free parking and free first-year maintenance charges.

As per the company sources, the highlight of the project is also its transparency. “When we say Rs 9.38 lakhs, we mean Rs 9.38 lakhs only. No hidden costs or other charges are to surprise our customers later!” says a company spokesperson.

Ansal API's 10,000 homes: The Delhi-based realty company is looking at building 10,000 affordable homes by the end of 2009. This housing project is expected to be priced between 2.5 lakh to 9.5 lakh.
